\$10,000 Mini-Grant Opportunity

For manufacturers in the Energy & Manufacturing in Appalachia network

Manufacturers can use mini-grant support for practical growth projects.

Over 100 manufacturers have already received mini-grants for projects that strengthen market access, compliance, operations, technology, and energy efficiency.

● Market Research

● Website Development

● Lead Generation

● Sales Strategy

● Product Development

● CMMC / ITAR / Compliance

● ISO / Lean / Quality

● ERP Optimization

● Energy Efficiency

Energy & Manufacturing Mini-Grant Program Guidelines

Review the program details, eligible project types, and next steps to explore your mini-grant opportunity.
